OPTIONAL!

When school starts and you get back in the swing of things, you begin asking teachers, "Do I have to do this homework?" One teacher in this school had a classic reply, "It's optional!" "It's optional" lies embellished in the minds of many of his students and that teacher is right. A positive attitude toward school is optional. If you have a negative attitude toward school, you will not do well. If you have a positive attitude toward school, you will succeed. When you enter school next fall or begin a challenging project, go at it thinking positively.

"IT'S ALL IN THE ATTITUDE!"

ANXIOUS?

Maybe that's how you feel upon re-entering school in the fall. The Kick-off Dance not only starts off the football season, but throws those fun loving attitudes into gear.

1. These girls are gettin' down to some serious dancing.
2. Everyone seems to be getting into the spirit of the dance.
3. The Oak Lawn mob assembles.
4. "Everyone! Walk this way."
5. Melina, Shelia and Debbie smile for the camera.
6. Jill gets all "wrapped up" in spirit.
7. Can Jill and Dan get a little closer?
8. Sherif assumes his "I am a stud" pose.
9. "Hey, you haven't seen three single guys around, have you?"
10. Chad gets down.
11. Ole!
12. "Hey stranger, wanna dance?"
13. "Tell me now, why did I get stuck with this guy?"

SPIRITED!

That's how you could describe Homecoming Week. Anticipation of the dance and well-wishing for the football team seem to be the only things on the students' minds.

1. Sophomores show their spirit at the Pep Rally.
2. Mike plays it cool in the relay race for the Theater team.
3. The Oak Lawn faculty tugs unsuccessfully against the football team.
4. Saige shows her winning swivel.
5. The world's oldest cheerleader: Mr. (Mrs.?) Graham.
6. Rich spikes one past Deena.
7. The Unknown Spartan slays the foe.
8. Monica is surprised at being named the Homecoming Queen.
9. Jennifer "hulas" her way along.

The day was clear, the air was crisp, the parade marched off on time and the football team was at its fighting best as the mighty SPARTANS went on to beat the Shepard Astros. A winning football team can change the attitude of the crowd. And as the SPARTANS marched to victory, the attitude was one of delight.

The half time activities brought us the presentation of the King and Queen and their Court. We were entertained by the SPARTAN Marching Band and saw trophies awarded to the winning floats. The parade, the game, half time and our attitudes were that of a WINNER!

1. Monica Brandt takes in the atmosphere of the Homecoming game.
2. Dave Spivak shoots for an opening in the line.
3. Rich Bagus and Sherif Zegar exchange "high fives."
4. It takes more than one Astro to tackle a SPARTAN.
5. The SPARTAN FIGHT SONG comes out loud and clear.
6. It's Dave again, and this time he's heading around the end looking for open real estate.

The evening is highlighted with a dance for the King and Queen and their Court. So kick off your shoes, grab your date and head for the open dance floor!

MAY 1987 OUTSTANDING JUNIOR GIRL & BOY

Monica Brandt and Dave Stanko have shown us how it's "ALL IN THE ATTITUDE." Last year they were chosen for the Joseph E. Lynch award as Outstanding Junior Boy and Girl. In the spring, faculty members are asked to evaluate their students who are involved in different activities and have outstanding achievements and qualities. Then the junior class members narrow the list down to the five finalists with the faculty selecting the two winners. Monica and Dave's pictures are displayed in the Spartan lobby along with their names engraved on the Joseph E. Lynch plaque.

SUPERINTENDENT

MR. DOMINICK FRIGO

Class of 1988:

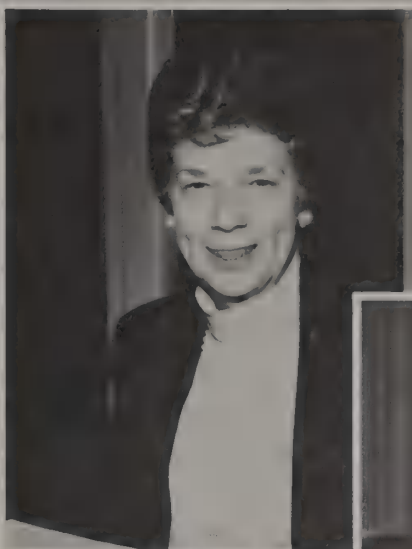

Graduation is the conclusion of a process that began some 12 years ago. Throughout that time you have worked and studied and now you are graduates. You can look back and be proud of your accomplishments. But, more importantly, graduation is a beginning — the beginning of a new life as an adult in an adult world. Oak Lawn Community High School has helped you acquire many of the skills necessary to meet the new, awesome responsibilities and demands of your "new life." It is my hope that you will pursue your life with a positive state of mind. It is evident that the happiest and most successful individuals are the "yes" people. They are able to make the most of, and find the best in, every opportunity and every experience. Go out and approach each new experience and each fresh opportunity in the spirit of "I can." Don't be content with just "getting by," but strive for your best. Accept the challenge of every task, every contact and every experience no matter how small. Each welcomed opportunity will enable you to learn and grow. Begin the new life which lies ahead by saying "yes" and "I can" and you will.

Congratulations and best wishes to each of you!

1987-88 STARTERS AND SENIORS

KEN WALTER 6' 2½" FORWARD SENIOR

Ken can play anywhere he wants on the floor. He can dominate the game on offense with assist or score. Ken is one of the finest jump shooters in the area. His stats speak for him: he is the leading scorer on the team with 17.8 points per game, leading rebounder with 8.6 per game, the best shooting percentage in field goals with 46% and free throws with 74%. He also has the most steals/recoveries with 3.5 per game.

ED DRAPER 6' 1" SMALL FORWARD SENIOR

Ed has good quickness and is a very hard worker. He fills the lane on the fast break or he can pull up and stick a 16 foot jumper. He's a good all around player and tough competitor. Ed never gives up, he's always working hard in practice and in games. Because of his efforts, his teammates selected him the "Hustler of the Year."

DAN MCGREAL 5' 11" OFF GUARD SENIOR

Dan has good quickness and will fill a lane in transition. He will make the big steal. Can score in bunches, has range to 3 point land and is an adequate handler. Can explode for big numbers when he's inspired.

MARK NIENHUIS 6' 2" FORWARD/CENTER SENIOR

Mr. Steady. Not real flashy, but always in control of the game. Always seems to make a key pass or get the rebound we need to start the fast break. A team oriented super who will only make Oak Lawn a winner.

DEAN RASCHKE 5' 6" POINT GUARD JUNIOR

Dean is a fine point guard. He has good quickness and ball-handling ability and is a good medium shooter. He runs the floor well, knows the game and controls the tempo. Has court vision — big time passer making few turnovers considering he handles the ball often.

PAUL HENNESSY 6' 4" FORWARD/CENTER SENIOR

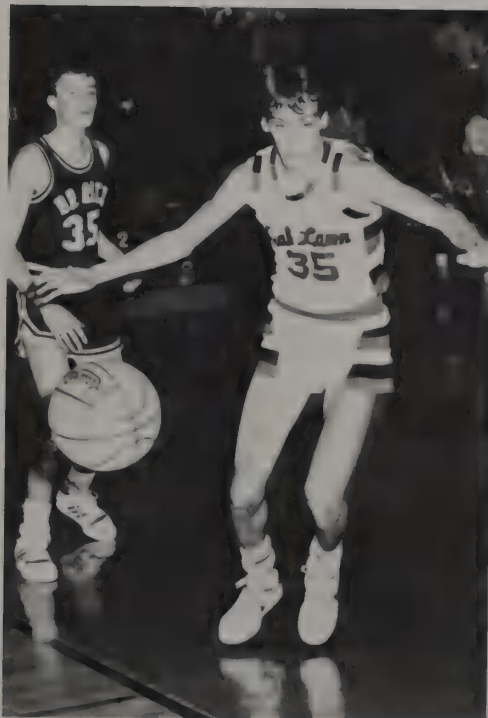

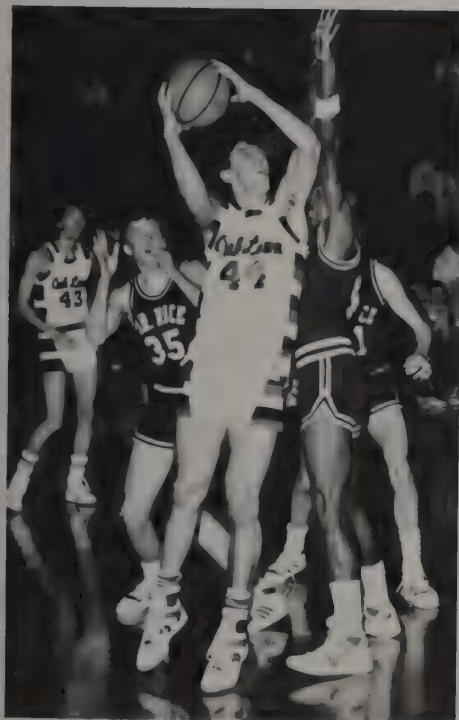

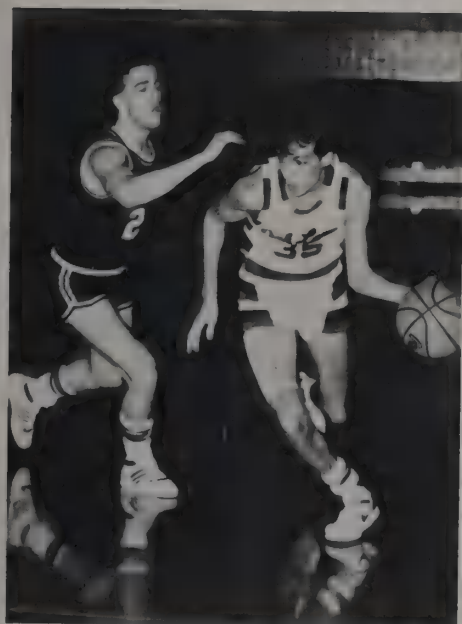

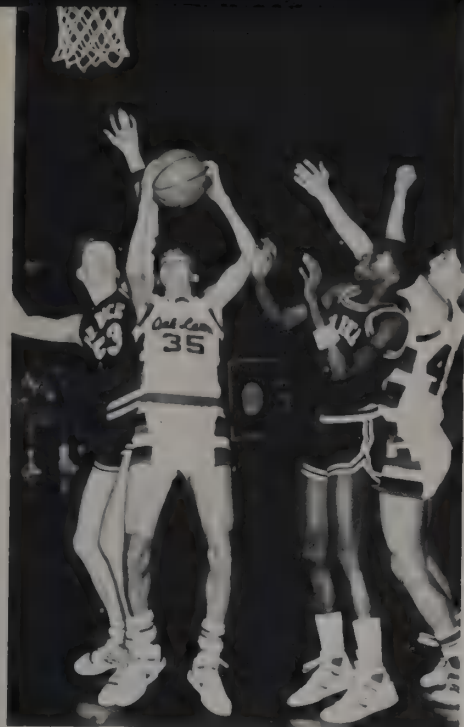

Paul is one of the best practice jump shooters on the team. His aggressiveness and rebounding improved with each game. He has learned to swing from center to forward with little effort. He is working at his fullest potential. Showed signs of his ability when he scored 15 points against Argo where he played his best.

DAN BEHLING 6' 1½" OFF GUARD SENIOR

Has court vision and gets the ball to the open man. Dan makes players on the team better with his passing and court sense.

MARK BOUSMAN 5' 9" GUARD SENIOR

Plays within the team structure. Mark has been bedeviled by various injuries in his senior year and that has slowed his development and contributions to the team. He is a hard worker who loves the game very much.

BE A BIT TOUGHER

JUMP A LITTLE HIGHER

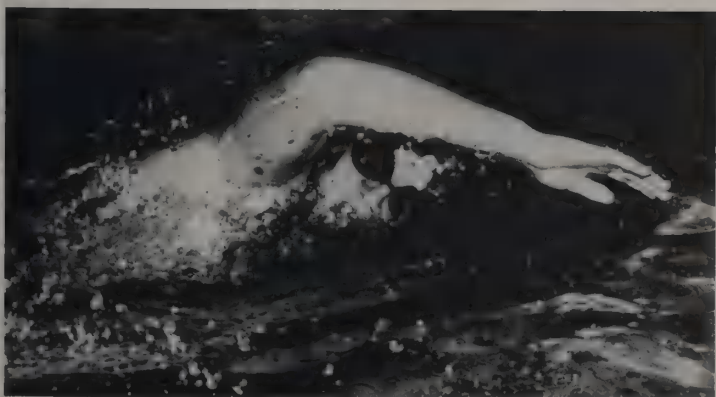

When athletes want to excel, they have to have that "Special Attitude"

There's a fine line between success and failure, and this line is called probability. To excel in a sport, an individual must not fall prey to probability but rather put the nervousness and uncertainty to the right use. In the final minutes of an important game, time can't be spent worrying about the outcome because concentration should be spent on the task that lies ahead.

The individual who gives his or her all for the team, rather than recognition, is successful no matter what the outcome of the game might be. Good sportsmanship towards opposing teams, respect for all members involved, and a sincere appreciation for the team's supporters gives the athlete that "Special Attitude" which makes a winner in any athletic event.

So I would like for her to know that she made my senior year my best year in high school. Also finding out who my friends really were and I would like to thank them for the support over the years I've known them.

SUSAN WHISSON "Swisson" — Ecology Club 1; Publicity for "Chorus Line" 2; Attendance Office Aide 3; J.C.A.B. 3; D.E.C.A. 4; My best memory is meeting all my great friends over the years like: A.H., K.F., R.M., L.M., J.A., H.D., K.D., and everyone I forgot. I'll miss you all very much. And to my best friend Mickey, you have brought all the good times with J.B., J.P., M.F., A.I., J.A., T.S., and especially T.B., I'll never forget you!

KURT WILAMOWSKI "Wilo" — Wrestling 1, 2, 3; N.H.S. 3, 4; Dean's Aide 3; Scholastic Bowl 4; My best memories are terrorizing Ms. Swetz for 4 years, "Debbie," "Debbie's dog," Gerber Baby, The Death of Taffy Sweat, Mr. Witowski's class, drivers with "Hilary Winslow," "Molly Jane," Passion Flower, Roxy Romper, Stud Muffin, the Romping Room, Hangman 6th period, the lush, "Insert the Disk," the Mermaid, Dennis' sister, The I love Dennis' sister T-shirt, that month of the year, and "harpoon the whale!"

KARA WILLIAMS "Ko-Ko" — Swimming 1; Dean's Aide 1; Pom Pons 2, 3; Cafeteria Aide 2, 3; D.E.C.A. 4; My best memories are the times spent with Paula, Tracy, Lynne, and Nikki. When Tracy found the "key's," the "rocks," and "whose underwear are in the sink?" My 17th B-day party, rollers, O.L.'s juvenile lock up, running into polls, the '86 kick-off dance (and Saturday internals), Prom '86 and '88, times in the Truckster, S.M.'s bash, the practice spot, late night at Daniel's, Jeff and Linas in Jenn's kitchen, Linas and I walking in Jenn's bedroom, Bremen movie theaters with Krys, Matt and Mitch. The 4th with Krys and Japper in Michigan, high speed tubing, B-V-Sneeze, "Paula, is it the dead whale?", oh, the thirsty whale, bowls of cereal, but most of all meeting and spending my senior year with Jeff.

HEATHER WILSON "Bud" — Swimming 1; Media Center Aide 1; Theatre 1, 2, 3, 4; The Wiz, A Chorus Line, Anything Goes, Fame, The King and I; Dean's Aide 2; Pom Pons 2; Show Choir 2, 3; Accapella Choir 4; Key Club 3, 4; Pep Club Officer 3; Student Council 3; J.C.A.B. 3; S.C.A.B. 4; Varsity Football Cheerleading 4; Varsity Basketball Cheerleading 4; My best memories are getting to meet all of my good friends and becoming close to them all. Especially M. J. Walsh, Kelly N. and Jude. All of those breakdowns with Jude and phone talk with Kelly. Junior year was the greatest. Basketball games and the nights in the grey pheonix. We all loved you. All the Cappos parties/Fiesta '87. Jo's big boat in the backroads with K.M. hanging out the window almost, and me becoming a sandwich. Football cheerleading '87 Pamela and Carol. I miss you. The allnighter before the first football game, dashing house to house. The big wigs T.O., L.P., M.J.W., K.B., L.B., K.M., and K.N. The grey pheonix girls T, Amicles, Mar-bear, and P-head. Assas-sion '87 Thanks for a wonderful Jr./Sr. year George. I love you. All of the big wigs you guys are great.

KELLI WILSON "Minx" — Softball 1, 2, 3, 4; Pep Club 4; Dean's Aide 3; Football Stats 1; My best memories are meeting all my good friends, especially Dawn, Frankie, and Vikki. Hey, Jan and Lynette remember "Ladies" the Julia Child way. Spanish 4 terrorizing Ms. Swetz. "Insert the disk," "The Romping Room," Roxy and Passion Flower, "Genie, stop reading that smut," cruising in the Mustand, and also meeting Paul. "Harpoon the whale," Elsa the cow, Gerber Baby and Stud Muffin, The wild and crazy summers. Being in fights with J.D.

LUCY WISEK "Cat Woman" — French Club 1, 2, 3, 4; Pom Pons 4; My best memory is all the wild adventures with the peach sisters and angle woman. You three have been great friends. Thanks for everything, and may the death mobile live on! Science class with M.B. and K.C. Lunch with K.R., J.J., and A.S. My trip to France. The elevator ride at the UIC game with G.M., M.B., and A.S. — "Are you a hillbilly?" — and don't forget the blond on the bleachers.

WILLIAM WISNIEWSKI "Wiz" — Football 1; Track 1; My best memories are all good times I've had with Kim over the past year, I hope there will be many more, and walking around on crutches for half of Junior year.

MARK WITTOFT "Wittle" — My best memory is when Mr. Marks was yelling at Nittle and Middle came in singing "you knock me off of my feet now baby, you make me want to ---! in your face.

LAURA YURCISIN — Tennis 1, 2; Track 1; French Club 2; J.C.A.B. 3; S.C.A.B. 4; Key Club 3, 4; Key Club Treasurer 4; N.H.S. 3, 4; My best memories are being part of the dog crash with Ann, Amy, and Heather. The "Loves Baby Soft" incident Freshman year, "Monica and the point Shavers," Key Club Conventions and the partying nights with all my friends. The plane ride back from France '87 with Kathi B. and her obnoxious self. Most of all, the great times I shared with Bob Gedville.

SHERRY ZIVICH "Sherry-Lou" — Soph. Class Advisory Board; J.C.A.B.; S.C.A.B.; Tennis 1, 2, 3, 4; Student Council 2, 3, 4; Wrestlerettes 1, 2, 3, 4; Theater 2, 3; Key Club 3, 4; Pep Club 3, 4; Spanish Club 2; N.H.S. 3, 4; My best memories are being with my good friends Julie, Laurie, Kelly, Lisa, and Gina. Being tennis partners with Jul all four years — and finally making state — meeting Kool Kat's (literally) and having M&M fights. Hiding in Lawson's van. Push starting Jul's maching on a wild goose chase. That happening weekend away — best friends 1964 and elevator troubles. Thanksgiving at Soldier's Field. Being attacked by "the dog." The night we were uncool. Halloween with the guys. Running down 95th Street chasing P.H. and J.F. with toy guns. Let's not forget the 4th of July. Skiing with Lisa and Lor. Mud volleyball incident. Visits to the Jewel. Camping and our # 1 song. Fudge teeth. Nice memories with JDG. Shoes and socks. Homecoming with Dave. And visiting the Sears Tower. Almost forgot, spending my whole Junior summer searching for memories to put back here.
